Note from the Director

Happy New Year! May this year be one where we exercise extraordinary faith. This year, I am eagerly anticipating that God will do great things through our church family to impact children

in our immediate vicinity as well as around the world. As believers in Jesus, we have been given the gift of grace and redemption, and it is our responsibility to share this gift with others. Our faith should be an active expression of who we are as Christians and should not be repressed or kept private. Our lives should point people to Jesus, for the joy that comes from knowing Him is contagious. What is the best way that we can share our faith? Get plugged in to serving God. When we bring God what little we have, he will miraculously multiply that little bit and turn it into something beyond our imaginations. Please consider walking alongside us in the Children's Ministry and investing into the future generation. After all, Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." – Matthew 19:14. God bless you!

Volunteer Spotlight

Loy is one of our beloved WATT Hour (Children's Worship) teachers. He has been attending CGBC since 1985 and has been serving faithfully in the Children's Worship hour since 1986. The children

love to listen to Loy teach. He presents Biblical truths in practical and memorable ways and his sense of humor keeps the kids engaged and excited about learning. When asked what he loves most about the Children's Ministry, Loy says that he loves seeing the children smile and finds it especially rewarding when they remember their lessons months or years later.

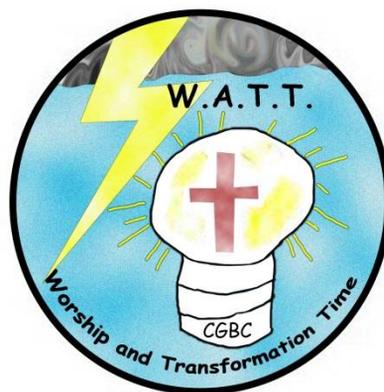

Loy is recently retired, after working for the State of California for over 28 years. He loves playing guitar, photography, video recording for the church (posted on Facebook), martial arts (Wing Chun and YiQuan), tennis, cooking, and cartooning. When he is not helping out in WATT, he is active in our church's photography ministry. He and his wife, Arlene, are such a blessing to our church family. We are so grateful that they continue to use their God-given gifts to serve in whatever capacity that they can. They have touched the lives of countless children and families, and their own children are now ministering as well, leaving a legacy of hope wherever they go. They are a testament of how God will use everything we give Him and multiply it to something beyond our imagination. Thank you Loy, and thank you Locke family!

Program Updates:

Sonshine Center: It's flu season. Our infants and toddlers are exceptionally susceptible. To prevent the spread of illness, parents are requested to **not** bring their children to the Center if they have had any of the following symptoms within the past 24 hours: fever, vomiting or diarrhea, sore throat, green mucus, unexplained rash, or continuous phlegmy cough.

Sunday School: This year, one of our main objectives is to teach the children about prayer. At the start of each class, the teacher will lead the children in a time where they share prayer requests and then pray for one another. We strive to cultivate an environment where the children can feel safe with each other, share their burdens, lift each other up in prayer, and dive deeper into God's Word together. Please prayerfully support our program and encourage your young one to be part of this community.

WATT: Our 1st-6th grade worship time is vibrant and energetic. Each Sunday, our WATT program consists of fun activities, worship, and a Bible lesson. If you would like to volunteer to be a teacher or aide, please contact lillian.leung@chinesegracebiblechurch.org. We are also in need of snack donations and kid-friendly board games, if you feel so led to give.
