Note from the Director

During this month, we have a church-wide focus on missions. We celebrate our missionaries and gratefully hear their testimonies of God's faithfulness in the mission field. Though we are fortunate to send and support missionaries abroad, we must not neglect the mission field right here in our midst. It is easy to forget what the church is supposed to be about and start thinking that the church exists for *our* benefit, and church services are to "serve-us." However, the church is supposed to be a community of life change that seeks out and rescues people who need Jesus. We have many opportunities this season to give back to our church, our community, and to those outside of our immediate vicinity. Please prayerfully consider getting involved in ministry, whether it is to help children, senior citizens, or serve on the church's ministry teams. Love the Lord and serve Him with all of your heart, soul, and mind. His heart is for us to reach those who don't know Him, and we have no choice but to obey. *"In the same way, I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents."* – Luke 15:10.

Operation Christmas Child (OCC) Shoebox Ministry

Every year, our church enthusiastically supports the Operation Christmas Child (OCC) Shoebox Ministry. This ministry is part of the Samaritan's Purse organization that was founded by Franklin Graham, the son of world-renowned evangelist, Billy Graham. OCC's shoebox ministry is a tangible way to share the good news of Jesus. Each shoebox contains a personal letter and treasures for the receiving child. Often this package is the first gift the child has ever received. Thousands of churches, including ours, participate in packing shoeboxes for little boys and girls. The shoeboxes are then distributed to more than 100 countries where community leaders share the message of the Gospel and bless children with these shoebox gifts. If you would like to participate or have any questions, please contact Diana Lau at diana25nguyen@yahoo.com.
